### “What Dogs Can Do for Veterans”

--- A presentation of Assistance Dogs by staff, clients and trainers

Our Chapter was founded in 1964 by military members to take care of the military! This 501 (c) 19 nonprofit and nonpartisan organization has the distinct honor to help Veterans in serious need by supporting the **paws4vets organization**.

The **paws4vets** part of the paws4people foundation trains assistance dogs and places them with veterans suffering from combat injuries such as PTS or even attempted suicide. These dogs have a proven history of saving lives! Through the **paws4vets** Assistance Dog Placement Program, Veterans, Service Members and Military Dependents either with physical, neurological, psychiatric or emotional disabilities can receive Physical

and/or Neurological Assistance Dogs, Medical Alert Assistance Dogs, or Emotional Support Dogs.

The **paws4vets** Directors and veterans (clients) with dogs and other distinguished speakers will be present. This is our only fund-raising event for the year. Please support this worthy and fun event splendidly organized by Chair Col. (Dr.) Rita Kurek.

**We invite your business to make a cash donation or a raffle or door prize donation. Donors will be prominently recognized!**

Mail all to: Col. (Dr.) Rita M. Kurek, 1231 Engleberth Road, Baltimore, MD 21221-2010 **by Aug 30, 2018. Phone 410-294-4913** Make **ALL** checks payable to: **Star Spangled Banner Chapter**.
