Dear The Star Spangled Banner Chapter of Military Officers of America, Inc.

It is with deep gratitude that we acknowledge your charitable gift of \$7,431.00 to paws4people, Inc., a 501(c)(3) public charity, through our paws4vetsSM Program.

Our paws4vets Program focuses on training and placement of Assistance Dogs with Veterans and Service Members who have PTSD, Traumatic Brain Injury (TBI), PTSD resulting from Sexual Trauma (Military or Civilian) (MST/ST), Moral Injury, and other neurological, psychological, and/or physical disabilities. The Service Dog helps to **control, regulate, and/or mitigate**® psychiatric and/or physical symptom sets. Our organization provides certification, insurance, and support for the Client-Dog Teams for the duration of their career.

All charitable gifts to paws4people or any of our programs or legal entities shall be considered unrestricted, unless a specific restriction for the charitable gift is included in a Charitable Gift Agreement signed by the donor and the Executive Director of paws4people. All unrestricted charitable gifts are used to fund the entirety of our organization, operations, programs, services, and future growth.

No goods or services were provided to you in exchange for your charitable gift. Your charitable gift is deductible to the fullest extent permitted by law.

Our Charitable State Fundraising and Solicitation Disclosure Statement contains a summary of the states in which we are registered to solicit charitable gifts, along with language required by state law to be reflected on receipts, solicitations, or pledge reminders. The language, font, and capitalization on the state-required language are intended to be compliant with applicable state law.
