

The **Star Spangled Banner Chapter** is the oldest continuously operating MOAA chapter in Maryland. Founded in 1964, we strongly support MOAA's powerful advocacy with Congress. We are active with the Maryland Council of Chapters in meeting with our federal and state legislators, educating them about the concerns of veterans and retirees. We pursue Maryland State tax free military retirement pay. We support several meaningful philanthropic causes for veterans and local ROTC/JROTC programs all the while enjoying **“camaraderie with a purpose.”**

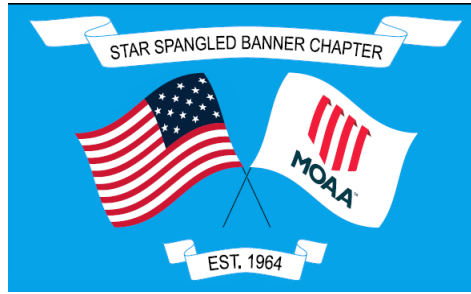

New members bring clout to our Chapter, which, in concert with MD Council and National MOAA, acts as “One Powerful Voice”, supporting National Security and ensuring the nation keeps its commitments to all active duty, retired and former servicemembers and their families and survivors. Visit our comprehensive website at www.starspan.org.

We conduct a variety of meetings or field trips at various locations with outstanding guest speakers. We meet at dinners, luncheons, and historic sites at least six times per year. You can participate as much or as little as you desire. Spouses and guests are always welcome! Join the Camaraderie!

CONGRESSIONAL LEGISLATION

Under current law, 63,000 military widows are penalized \$15,000 a year because military service caused their service member's death. This is called a "widow's tax" because, by law the VA annuity for the service-caused death is deducted from the Survivor Benefit Plan (SBP) annuity. *Service members automatically receive SBP coverage for deaths on active duty.* (Retiring personnel can also purchase SBP coverage to provide their spouses 55% of their retired pay.)
MOAA is fighting to correct this injustice to widows and for many other earned benefits! –See www.moaa.com

LEGISLATION –STATE, CITY, COUNTY

Our Chapter and the MD Council of Chapters are fighting hard to **achieve 100% tax exemption from MD state taxes for all uniformed services retirees.** Recently, our chapter has contributed legislative support and economic analysis to pass legislation to achieve a **\$15,000 MD state tax exemption** for all age 55 and older in tax year 2018! --See www.starspan.org **and lend your support to achieve 100% for all ages!**

Maryland has approved a 20% property tax credit for five years for veterans and home owners over age 65 to be implemented by Counties and the City of Baltimore. Some counties in the Greater Baltimore area are pursuing this benefit for veterans! We need to support this effort in **all counties and Baltimore City!**

Together, we can do it!

ROTC/JROTC

We support four university **Army ROTC Programs** with awards and present the *Army Office Guide* to new 2nd Lieutenants. High school **Junior ROTC** units are provided encouragement with leadership awards.

We encourage donations to the **MOAA Scholarship Fund** and **MOAA's Military Family Initiative.**

Our chapter supports the **paws4vets.org** assistance dog placement

program foundation where veterans, service members and dependents can receive specially trained assistance dogs for critical disabilities. **Join our special Fundraiser September 22 at Sparrows Pt. Country Club.** See our website www.starspan.org or call us for details and reservations. **It will warm your heart!**

Chapter membership is open to active duty, former, and retired warrant and commissioned officers and their surviving spouses of all seven services living in Baltimore City and the surrounding counties. We have an Annual Banquet November 14 hosting a distinguished speaker. This year the theme is the WWI Centennial with our guest speaker the noted Park Ranger from Ft McHenry Vince Vaise! We often have international affairs experts; government officials and military history authors speak at our various meeting venues. Members and spouses participate each in their own way. Please join us! You will be glad you did!
